# Interested In Helping?

As you know, we are constantly striving to maintain our very high standards of production. In order to do this, we rely on a great deal of help and support from company members, relatives, friends and parents.

We are keen to hear from anyone who is interested in supporting our productions in any way (e.g. helping to set up and dismantle set, chaperoning, assisting in the dressing rooms).

If you would like to know more, please indicate any specific areas of interest/experience by ticking the relevant boxes, and please return this form to the membership secretary at the above address as soon as possible.
